## About Us...

For many years, the Hampton Hammers Football club has been a community leader in Bayside. The club has worked very hard to position itself not only as a focal point for community pride, but also an organisation that takes a leadership role in the local area.

To this end, we promote ourselves and deliver on the promise of being a family club, where all members from any generation or background are welcome to bring their partners, children and friends to enjoy the close atmosphere and camaraderie within a club environment.

Through our work with the community, we have been honoured with several awards for our efforts including the Football Victoria – Club Achievement Award for 2002. This award is open to every club in Victoria and to win it was a testament to the hard work we have done to promote and develop our club, our local community, and our generous sponsors.

In 2011 we were awarded the Best Conducted Club in Division 2 as well as the Best Conducted Club overall in the Southern Football League (SFL). This is an award that we are very proud of and is recognition of the hard work off the field.

In 2012 the Hampton Hammers Football Club completed a Inclusive Community Mentoring Programme, which included involving people with disabilities in the community and giving them an opportunity to be involved in a Sporting Club in numerous roles.

## Sponsorship of the Hampton Hammers...

Our aim is to build a relationship with all of our sponsors that is both long lasting and mutually beneficial.

The best results for both sponsor and club more often than not come from relationships that have been forged over a number of years. Therefore it is our goal to give you maximum exposure and value for your business whereby you want to renew your involvement year upon year. It's this simple! We will deliver to you what you want: CUSTOMERS!

Hampton strives to be a club that is focused on relationships and loyalty with its members, supporters, sponsors and greater community.
